Simple Search

- Users can search the contents of the entire site using the Quick Search box located at the top right of all pages.
- Type any search term eg. 'FDA' into the Quick Search box and all results for this term will be listed with the most recent at the top and categorised into News, Analysis, Reference, Science and Features
- You can sort your Simple Search results chronologically or by relevance to your search term
- You can also change the number of results appearing on a page

Advanced Search

- This facility enables a full search of the database for one or several keywords and exact phrases
- Click on the 'Advanced Search' link (beneath the Quick Search box) on any page, and you will be taken to a page where you can choose from a selection of categories, including: Product Sector and Region
- Choose whether you want to search for any of the words, all the words or the exact phrase using the dropdown beneath the Keyword search box on the Advanced Search page

The screenshot shows the RAJ DEVICES website homepage. At the top, there is a banner for 'The tools you need to succeed— now 15% off!' with a 'CenterWatch' logo and a coupon code '7684'. Below this is a navigation menu with links for Home, Product Sector, Regulatory Region, Pre-marketing Regulation, Post-marketing Regulation, Healthcare Systems, and Legal. A search box is visible with the text 'Advanced Search' and 'FDA' entered. A callout box points to the search box with the text 'Advanced Search FDA'. The main content area features 'HEADLINE NEWS' and 'EXPERT VIEW' sections. The 'HEADLINE NEWS' section includes articles such as 'Canada confirms need for reforms in devices testing framework' and 'Saudi Arabia adopts interim device authorisation regulation'. The 'EXPERT VIEW' section features an article titled 'test raj devices expert view How soon is now? - the drive to exploit opportunities in post-reform China' by Ashley Yeo. A sidebar on the right contains links for 'About Us', 'Getting Started', 'Free Trial', 'Subscribe', 'Advertise', 'Guidelines for Authors', and 'Blog'.

- Specify the date or select the date range of the published material you want to return
- Narrow your search by selecting from one or more dropdown menus, including: Product Sector and Region, Business, Policy and Regulation
- Click the 'Search' button at the bottom of the page to perform the search

The screenshot shows the 'Advanced Search' page. At the top, there are 'Search' and 'Clear' buttons. Below this is a 'Keyword' search box. A dropdown menu is set to 'All Words'. There is a checkbox for 'Search in headline only'. Under the 'Publication' section, there are checkboxes for 'RAJ Pharma', 'RAJ Devices' (which is checked), 'Scrip', 'Clinica', 'Clinica Diagnostics', and 'Animal Pharm'. At the bottom, there is a 'Date' section with dropdown menus for 'Day', 'Month', and 'Year'. A sidebar on the right contains links for 'About Us', 'Getting Started', 'Free Trial', 'Subscribe', 'Advertise', 'Guidelines for Authors', and 'Blog'. There is also a promotional banner for 'Applied Biosystems' with the text 'Free Rewards with purchase' and 'Order Today and Earn'.

- You can sort your Advanced Search results chronologically or by relevance
- You can also increase or decrease the number of results appearing on a page
- Click on the 'Saved Search' button at the top right of the Advanced Search page and select a name for your saved search
- Check the box 'Alert me for new content' and choose the frequency (daily, weekly or monthly) from the dropdown box below. The updated results of your saved search will then be emailed to you at your chosen frequency.
